NATION OF ISLAM, formerly referred to as the Muslim Cult of Islam, also known as Muhammad's Temples of Islam

In January, 1957, a source advised that ELIJAH MUHAMMAD had described his organization on a nation-wide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 18, 1960, another source advised that the Nation of Islam (NOI) is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD, its present national leader, claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States.

Members following MUHAMMAD's teaching and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon".

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On 6/19/61 [REDACTED] reliable, advised that ELIJAH MUHAMMAD told one of his secretaries that he was not sure he would go to Washington. (Chicago believes MUHAMMAD was merely using this as an excuse not to see this secretary on 6/19/61). b2

On 6/19/61, [REDACTED] reliable, advised that ELIJAH MUHAMMAD stated on that date "They can only get six buses to go". (Although nothing regarding Washington, D. C., was mentioned at this time, Chicago is of the opinion that MUHAMMAD was referring to buses travelling to and from Temple No. 2, Chicago to Washington, D. C.)

The Washington Field Office is requested to consider the feasibility of a photographic fisur of the arrival of ELIJAH MUHAMMAD and his entourage at Washington International Airport at 11:35 a.m. EDT, 6/25/61. It is to be noted that when MUHAMMAD travels with such an entourage he usually selects those males and females who are close to him and who are trusted by him and who may already be, or will be, officers of Temple No. 2 or some other Temple of Islam. The results of such a fisur may be of value at present, or later, to Chicago in its investigative efforts in attempting to identify officers of the Nation of Islam (NOI).

The "Crusader", in its issue of June 17, 1961, page 20, carried an article entitled "Chicago Muslims Offering \$20 RT Bus Trip to Hear Muhammad in Washington." The article reflects in part as follows:

"Muhammad's Mosque of Islam No. 2, 5335 South Greenwood Avenue, will sponsor a \$20 round trip bus ride to Washington, D. C., Friday, June 23, to the Uline Arena there, where the spiritual leader of America's Muslim movement will deliver what has been called the 'most significant speech of his career' on Sunday afternoon, June 25.

"We expect an audience of at least 30,000 in Washington to hear the Hon. Elijah Muhammad", a mosque spokesman said.

"In order that his followers and other interested persons in Chicago may be able to cut down on travel fare, we have chartered our own buses for the trip... Our bus leaving from 5335 Greenwood, June 23, is air-conditioned, features foam air ride and other comforts. No Negro organization has done this before."

The "Crusader" is a weekly newspaper published at 4237 South Indiana, Chicago, Illinois.

The "Crusader" in its issue of June 17, 1961, page 13, carried an article entitled "Harlemites Set to Invade D. C. at Islam Meet", which was datelined 'New York (Special)'. This article reflected in part as follows:

"All Harlem is buzzing with excitement over the potential impact of Muslims 'Freedom Caravan' upon an already worried Kennedy administration when hundreds of buses loaded with militant young Muslims invade the nation's capitol from all over America on Sunday, June 25, to hear Messenger Elijah Muhammad deliver a 'major address' to a huge Freedom Rally at Washington's mammoth Uline Arena.

"The largest group of Negroes are expected to leave from Harlem. Malcolm X, Minister of the New York Muslims, told reporters here that many non-Muslim friends and sympathizers who are 'tired of the slow pace of token integration, too intelligent to submit patiently to continued segregation, and fed up completely with the compromising attitude of sell-out Negro leaders,' will join the Freedom Caravan to Washington as 'neutral observers' to see and hear what Mr. Muhammad's proposal to 'the oppressors of our people' will be.

....Mr. Muhammad's already highly publicized subject for the Freedom Rally is 'Separation or Death'.

"Malcolm X also revealed to reporters here in New York that many other non-Muslim organizations who likewise believe that 'forced' token integration will take too long for the increasingly impatient black masses, are also purchasing blocks of tickets for their members and encouraging them to ride the Freedom Caravan.

"Refusing to make any advance comments on Mr. Muhammad's proposed speech, Malcolm X told reporters that 'our religious leader's ultimatum is no different than that which the great American patriot, Patrick Henry, told the English oppressors of his people on July 4, 1776.'

"The local Freedom Caravan from Harlem will leave from 116th Street and Lenox Avenue at 4:00 a.m. Sunday, June 26th, and return that same evening by 11:00 p.m. All tickets must be purchased by June 21. Round trip fare is only \$6..."

Elijah Muhammad then told [redacted] about his visit to Egypt and cautioned the brother not to exaggerate or make false statements to the Muslims over there, adding that if he did the Muslims would avoid him. [REDACTED] chose the name Wali Hassan and told Muhammad he wanted to use the name Hassan because it was close to his "slave name" of [REDACTED] and he could then remember this new name. NATION OF ISLAM, formerly referred to as the Muslim Cult of Islam, also known as Muhammad's Temples of Islam

In January, 1957, a source advised **ELIJAH MUHAMMAD** has described his organization on a nation-wide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 5, 1961, a second source advised: **ELIJAH MUHAMMAD** is the national leader of the Nation of Islam (NOI). Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI. In mid-1960 **MUHAMMAD** and other NOI officials, when referring to **MUHAMMAD**'s organization on a nation-wide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. **MUHAMMAD** claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following **MUHAMMAD**'s teaching and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including **MUHAMMAD**, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

Enclosed herewith for the Bureau, New York and Phoenix are seven, one, and one copies respectively, of a letterhead memorandum pertaining to the health of ELIJAH MUHAMMAD, the Messenger of Allah and National Leader of the NOI.

A copy of this memorandum is being forwarded New York in view of MUHAMMAD's proposed appearance in New York in late 8/61. Based on the fact he did not appear at a "feast" in Washington, D.C. in 8/61 due to ill health the same may be true as regards the New York affair.

Chicago has, at present, no information regarding the identity of the 2 people MUHAMMAD is allegedly training to give him help. This will be closely followed. Any reliable data reflecting the identity of these individuals will receive immediate attention.

Any further pertinent information regarding MUHAMMAD's trip to Phoenix will be promptly afforded to that office.

In early August, 1981, a confidential source advised that Elijah Muhammad had made statements as follows:

He has started training two people to give him competent help. He is planning to go to Phoenix on August 9, 1981, to rest up for his trip to New York. He has an Arab doctor now but trusts only Allah. He has been reading up on his symptoms and he has acute bronchitis asthma whereas the doctors had told him he had a bad case of acute bronchitis. He has been telling his sons to be sure to save their money and not to depend on him as he is getting into his middle sixties and his type of work wears a man out faster than would ordinary work. He told his doctor he had a heart attack three years ago. He has been to the doctor and was advised to go somewhere and rest. He is overworked and is going out there and will stay until he goes to New York.

[REDACTED] reliable, on 9/22/61, advised ELIJAH MUHAMMAD was in long distance contact with a female, believed to be his wife, CLARA MUHAMMAD. ELIJAH stated "we" set up a school and put in a principal at the school who is "smarter" than the Sister Director CHRISTINE (CHRISTINE JOHNSON, Director of the University of Islam No. 2). ELIJAH stated that the principal had taught in Wayne County at the University and works for the government and receives a good salary from them. (Based on past information, it is believed MUHAMMAD had been in Detroit, Michigan, and the above conversation refers to the University of Islam No. 2, Detroit, Michigan.)

CLARA asked ELIJAH when he would be out and MUHAMMAD replied, "When the back place is finished." MUHAMMAD stated he was going to bring the secretary with him as "when the work comes in here, they will just send it to me out there and I will also have the work transferred to me from the other places." (It is believed this refers to MUHAMMAD possibly going to Phoenix, Arizona.) ELIJAH then stated he had had a meeting with all the temples in Michigan yesterday and all the ministers and secretaries were there and a good time was had by all.

During early 1961, information was made available by [REDACTED] who has furnished reliable information in the past, indicating that ELIJAH MUHAMMAD has engaged in extra marital activities with the following listed females, who are members of the Nation of Islam (NOI). This information cannot be verified without the cooperation of the individuals involved and contact with same could jeopardize a highly confidential Bureau investigative technique. It is believed the possibility of any of these individuals cooperating is remote:

[REDACTED] b7C  
The following are a few examples of conversations between MUHAMMAD and the female involved:

[REDACTED] b7C  
On February 17, 1961, [REDACTED] told ELIJAH MUHAMMAD that she knows MUHAMMAD has visited other people besides herself and she also knows that he has quoted everything she has ever said about "any of those girls" and that he has told the same story to seven or more. She also told MUHAMMAD that "little people like myself are sacrificed for your pleasure because you're not suffering like my friends are suffering".

[REDACTED] b7C  
On February 11, 1961, [REDACTED] told MUHAMMAD that [REDACTED] had gone to her father's place. MUHAMMAD stated that he had provided funds "to take care of some of [REDACTED] expenses".

[REDACTED] b7C  
On February 18, 1961, in a conversation between [REDACTED] and MUHAMMAD, MUHAMMAD inquired about "the baby" and added that "it looks just like him when he was a little boy". [REDACTED] added that as it looked like MUHAMMAD, no one would ever need "any papers or anything" to identify the child. MUHAMMAD replied he did not want to deny it.

[REDACTED] b7C  
Information provided by [REDACTED] on July 14, 1961, indicated that [REDACTED] were again pregnant.

SECRET

CG 100-6989

On February 14, 1961, MUHAMMAD told [REDACTED] that her little girl took after her mother. [REDACTED] replied "wait a minute, she isn't taking after her mother. She's taking after someone else".

b7C

On February 13, 1961, MUHAMMAD, in speaking with [REDACTED] told her to tell [REDACTED] "to take care of that baby" as [REDACTED] likes cool weather and cool rooms but should not have it so cold for the baby, who is only a few weeks old.

The September 2, 1961, edition of the "New Jersey Herald News", a Newark, New Jersey, weekly newspaper, contained an item captioned, "Over 10,000 Hear Muslim Leader at New York Rally". That item stated that ELIJAH MUHAMMAD, leader of the black Muslims, had spoken at the 369th Regiment Armory in New York on the previous Sunday on the subject, "Separation, or Some Land Of Our Own, or Death".

This item stated, "The Messenger pointed out that the white man has ruled the world for over 6,000 years that was given to them by the original Creator, YAKUB. He pleaded for separation of the so-called Negro from the white man and that he be given some states where he can develop his talents and a nation of his own."

"If the so-called Negro is given land and the necessary basic things such as education and materials for a period of 20 - 25 years and does not prove his ability to make good, then he said he should be destroyed and doesn't deserve to live ... He also said the United States should give each Negro a million dollars, which would only amount to \$20,000,000,000, which is nothing unusual in foreign aid, to help him toward his full development."

The "Los Angeles Herald-Dispatch" is a self-described weekly newspaper published at 1431 West Jefferson Boulevard, Los Angeles, California.

"The New Crusader" is a weekly newspaper published at 4237 South Indiana Avenue, Chicago, Illinois. DAN BURLEY is listed therein as the Managing Editor of "The New Crusader".

[REDACTED] b7C  
[REDACTED] b2

During the period between March 23, 1961, and August 31, 1961, the column, "Mr. Muhammad Speaks", by ELIJAH MUHAMMAD, appeared in the "Los Angeles Herald-Dispatch" on a weekly basis.

Typical examples of the items are as follows:

The March 23, 1961, edition of the "Los Angeles Herald-Dispatch" contained an item captioned, "No Justice For So-Called Negroes" under the column, "Mr. Muhammad Speaks". The article stated, in substance, that the so-called Negro of America should know that there is no justice under the flag of America for him. The article said that the black man would soon bear witness that the white race of America is none other than the real devils in person.

The August 10, 1961, edition of the "Los Angeles Herald-Dispatch" contained under the column, "Mr. Muhammad Speaks", an article captioned, "We Must Be Ourselves". That item stated, in substance, that the black man must do something for himself and stop working against each other for the joy of his enemies. It stated that the black man cannot depend on the white race to continue to farm and grow food,

cotton, and wool to clothe the black man. It stated that the black men must unite and work together in order to make it easier for themselves.

During the period between February 18, 1961, and August 26, 1961, the column, "Mr. Muhammad Speaks", by ELIJAH MUHAMMAD, appeared in weekly issues of "The New Crusader".

A typical example of those articles is contained in the July 15, 1961, edition of "The New Crusader". That item in substance stated that America has always mistreated the so-called Negro by beating and killing him to put fear in others. It said that America has never treated any enemy that she has warred with as she has and still treats her harmless slaves. It also stated that ALLAH has now chosen the poor Negro to be His people. It called on the so-called Negro to hurry and join with their own kind and to write to MUHAMMAD's Mosque Number 2, 5335 South Greenwood Avenue, Chicago, Illinois.

F. Other Statements Regarding the NOI

ELIJAH MUHAMMAD stated during June, 1961, in connection with being told of a recent incident in Miami, Florida, where his followers had been arrested for parading without a permit.

that all of his people should be told "not to attack anybody, but if they are attacked, they should fight back". In the Miami incident, one brother reportedly, after being arrested, took a gun and stick away from a policeman and struck the policeman with his stick.

III. MISCELLANEOUS  
Communist Party (CP) Interest in the NOI

[REDACTED]

### MUSLIM GIRLS TRAINING

On May 19, 1960, a source advised that the Muslim Girls Training (MGT) is a group within the Nation of Islam (NOI) and is composed of all female members of the NOI. The MGT is similar in structure to the Fruit of Islam (FOI), which is composed of male members of the NOI, in that the MGT has officers similar to military organizations to whom other female members are accountable. MGT members receive instructions in homemaking, hygiene, calisthenics, and other subjects such as Muslim history and the English language. There also exists a Junior MGT, which is composed of female members of the NOI who are between the ages of 15 and 19 and who are afforded military-type drill.

Since 1957, various officers and "sisters" of the MGT have, at meetings of the MGT, used the term MGT so that it also means General Civilization Class. General Civilization Class refers to classes conducted within the MGT.

The above refers to activities of the MGT at Muhammad's Temple of Islam No. 2, 5335 South Greenwood, Chicago, Illinois.

On May 17, 1961, another source advised that the MGT is a group within the NOI which is composed of all female members of the NOI. The MGT is similar in structure to the FOI, which is composed of male members of the NOI. In theory, the MGT exists in all Temples of the NOI and is patterned after the MGT at Muhammad's Temple of Islam No. 2, Chicago. General Civilization Class refers to the collective group of classes held within the MGT.

FRUIT OF ISLAM

On May 5, 1961, a source advised that the Fruit of Islam (FOI) is a group within the Nation of Islam (NOI) composed of male members of the NOI. The purpose of the FOI is to protect officials and property of the NOI, assure compliance of members with NOI teachings and to prepare for the "War of Armageddon". Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in Judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.

**NATION OF ISLAM**, formerly referred to as the Muslim Cult of Islam, also known as Muhammad's Temples of Islam

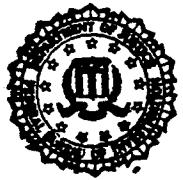

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nation-wide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 5, 1961, a second source advised: **ELIJAH MUHAMMAD** is the national leader of the Nation of Islam (NOI). Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI. In mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nation-wide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teaching and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

Enclosed memorandum is for the possible use of Assistant Director DeLoach. It contains information of a general nature as well as that which was obtained at a public Nation of Islam (NOI) meeting which was held in Phoenix, Arizona, on 1-21-62. This meeting was covered by the press.

Elijah Muhammad is a key figure of the Chicago Office. He is the leader of the NOI, an organization which is violently anti-white, anti-Christian, anti-integration and anti-United States.

RECOMMENDATION:

That the enclosed memorandum be forwarded to Assistant Director DeLoach for his consideration.

It appears that this country may be able to produce a worthy challenger to Fidel Castro, the Cuban fugitive from a barbershop, in the field of marathon speechmaking. Our prospective challenger is Elijah Poole, also known as Elijah Muhammad. Muhammad is the leader and self-styled prophet of the Nation of Islam. This organization teaches that the white man is a "Devil" and intrinsically evil. Muhammad instructs his followers that the flag of the United States is the flag of the devil and expounds a violently antiwhite and anti-Christian line. Muhammad or Poole depending on where you stand as to the recognition of his self-given divinity, recently addressed approximately 1,000 of his followers at a public meeting at Phoenix, Arizona. It is interesting to note that Muhammad recently purchased a luxurious home in Phoenix which he uses as a retreat from the hustle and bustle of Chicago where he maintains his national headquarters. Muhammad's harangue lasted approximately two hours during which he spewed his vicious hatred for the white race. During his talk he castigated legitimate Christian ministers of the Negro race and inferred that these ministers are motivated by material rather than by spiritual aims.

His indictment of the legitimate Negro clergy as materialistic is certainly a travesty. If ever anyone lived in complete luxury as a result of a quasi-religious status which was self-granted, Muhammad would be a prime example. His followers, many of whom are practically destitute, have been "encouraged" to give until it hurts and as a result the "prophet" lives luxuriously in both Chicago and at his Arizona retreat. He has expensive cars, servants, bodyguards (approximately 42 stood guard during his Phoenix appearance), a large staff at his beck and call and enjoys all the better things of life.

It is certainly ironic that this hate monger without one iota of theological training is able to guise his vicious and hateful mouthings under a religious cloak. It is similarly tragic that an individual of his type who enjoys every worldly luxury at the expense of his poor followers is able to impugn the reputations of legitimate religious leaders who are attempting to improve the temporal and spiritual lives of their congregations at great personal sacrifices.

It is truly amazing that the irony of this situation apparently escapes Muhammad's followers.
